<b>Ezidkhan Care Navigation Program</b>				
<b>Ezidkhan Care Navigation</b>	<p>Ezidkhan Care Navigation is a free service that provides guidance and capacity building assistance to Ezidi families who are humanitarian entrants. It is driven by health literacy and aims to support clients to identify and overcome barriers, allowing them to achieve optimal health outcomes.</p> <p>The program supports clients to understand the Australian healthcare system, including primary health care options and assists with accessing appointments, transport arrangements and overcoming language barriers.</p>	<p>Identify as Ezidi, have arrived in Australia under the Humanitarian Settlement Program and settled in Armidale.</p>	<p>GP referral into the program. Clients can be directed to the program, however, a GP referral must be received before care navigation services can be provided.</p>	<p>HealthWISE Armidale</p> <p>Akram Kudeedah – Lived Experience Care Navigator <a href="mailto:cnarmidale@healthwise.org.au">cnarmidale@healthwise.org.au</a></p> <p>Phone: 02 6771 1146 Fax: 02 6771 1170</p>

<b>Clinical Care Co-ordination Program</b>	HealthWISE Mental Health Clinical Care Co-ordination program is a confidential clinical service for people with complex mental illness.  This program is delivered in partnership with lived experience staff to provide wrap around psychosocial support to people where this service is required.	People from the age of 16 years across the South Burnett region (Kingaroy, Murgon, Cherbourg) and the Southern Downs region (Warwick and Stanthorpe) with complex mental illness.	Referral to the CCC program requires a Mental Health Treatment Plan (MHTP) from a General Practitioner or Psychiatrist.  All referrals should be sent to: F: 1300 452 059 E: <a href="mailto:mentalhealth@healthwise.org.au">mentalhealth@healthwise.org.au</a> Medical Objects: HEALTHWISE, MENTAL HEALTH  The patient will be contacted when an appointment is available.	HealthWISE Mental Health Team: Phone: 1800 931 540 Email: <a href="mailto:mentalhealth@healthwise.org.au">mentalhealth@healthwise.org.au</a>
<b>HealthWISE Lived Experience Psychosocial Support Program</b>	This program offers a range of confidential non-clinical supports for people who experience complex mental health problems and can assist with: Social skills and connection, including family connections, day to day living skills including help accessing financial support and budgeting. Finding and maintaining a home, Vocational skills and goals including volunteering, education and training goals, maintaining physical wellbeing, including exercise and linking with health professionals, building broader life skills including confidence and resilience.	People 16 years and over and across the South Burnett region (Kingaroy, Murgon, Cherbourg) and the Southern Downs region (Warwick and Stanthorpe) experiencing mental health issues that significantly impact psycho-social wellbeing in personal and work life.  Have been diagnosed with a severe and complex mental health illness and would benefit from specialised psychosocial supports to build on active living skills.  Are currently under the care of a GP or Psychiatrist and do not have an NDIS package.  Referrals can be made by the person requiring support or carer/health professional.	All referrals should be sent to: F: 1300 452 059 E: <a href="mailto:mentalhealth@healthwise.org.au">mentalhealth@healthwise.org.au</a> Medical Objects: HEALTHWISE, MENTAL HEALTH  The patient will be contacted when an appointment is available.
